

## CITATION

By PRESIDENT PAUL LAUFFER

IN CONSIDERATION of the leading and decisive role played by Stephen L. Mayham in the spectacular growth of the American toiletries industry in the past thirty years;

With knowledge of his outstanding and essential labors in shaping and developing the trade literature so important to a progressive industry;

With respect for his tremendous influence in establishing and maintaining the reputation of the industry for high technical excellence and ethical standards;

In appreciation of his untiring fight to win for the industry, governmental recognition of its necessity, good will, and integrity;

In gratitude for his ceaseless championing of the chemist and for his influence in improving the chemist's status in our industry;

I now welcome Stephen L. Mayham as an Honorary Member of THE SOCIETY OF COSMETIC CHEMISTS.

## ACCEPTANCE OF HONORARY MEMBERSHIP

By S. L. MAYHAM

*Executive Vice-President, Toilet Goods Association, New York 20, N. Y.*

Mr. President, Ladies and Gentlemen:

I ESTEEM it a very high honor indeed to be presented with an Honorary Membership in THE SOCIETY OF COSMETIC CHEMISTS. I am particularly pleased in joining that good company which includes such fine scientists as my old friends Dan Dahle, Bob Clarke, and "Tommie" Thomson. To say that this honor came as a great surprise to me would be an understatement. I am not a cosmetic chemist nor indeed any kind of chemist at all. I feel somewhat like a friend of mine who went down to the Battery when Eisenhower came home from Europe to see what was going on.
